

United States Department of State

Washington, D.C. 20520

DEC 21

Dear Mr. Speaker:

Pursuant to Section 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed manufacturing license agreement with Turkey.

The transaction described in the attached certification involves the manufacture in Turkey of the MXF-483 and MXF-484 Airborne Frequency Hopping UHF/VHF Transceivers for end-use in NATO member countries, Australia, New Zealand, and South Korea.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in dark ink, appearing to read "Paul V. Kelly", with a stylized flourish at the end.

Paul V. Kelly
Assistant Secretary
Legislative Affairs

Transmittal No. DTC 141-01

The Honorable
